I think Sara was there. She will likely be assigned to this.

Thanks,

Attached is a FOIA from Inside EPA wanting records from Shaun's January call with the R10 RA and the rep from the WA Gov's office regarding Colstrip.

Darcy I think you attended? Monica? Don't recall any others. The only responsive record I can think of is the internal issue paper we gave to Shaun.

Elyana, looks like we need an attorney assigned to this.

Thanks

Carl:

As you can see the request is seeking records from all region 8 and 10 personnel who were on the call. While it may be that personal records might not be subject to the FOIA, that is up to our attorneys to decide if they meet the exemption rules. I will send you another email on the topic from which we gathered data from the RAs office on who was on the call with Shaun. That information came from Betsy.

I didn't get a chance to call you today concerning the Colstrip FOIA from Inside EPA. Can you send the FOIA electronically to me? I think only Shaun and I would have responsive records and I don't think any of them would be releasable as they are internal (other than Shaun's calendar entry?).

Thanks
